Commemorating the production of 40,000 wheelchairs in 20 years : 1998 - 2018

To reach this milestone thanks go to all our Volunteers, both inside and outside the Workshops, to Rotary Clubs, The Christian Brothers, the WA State Government, School Communities, Corporate and Social Groups, Service Clubs and Individual Donors.

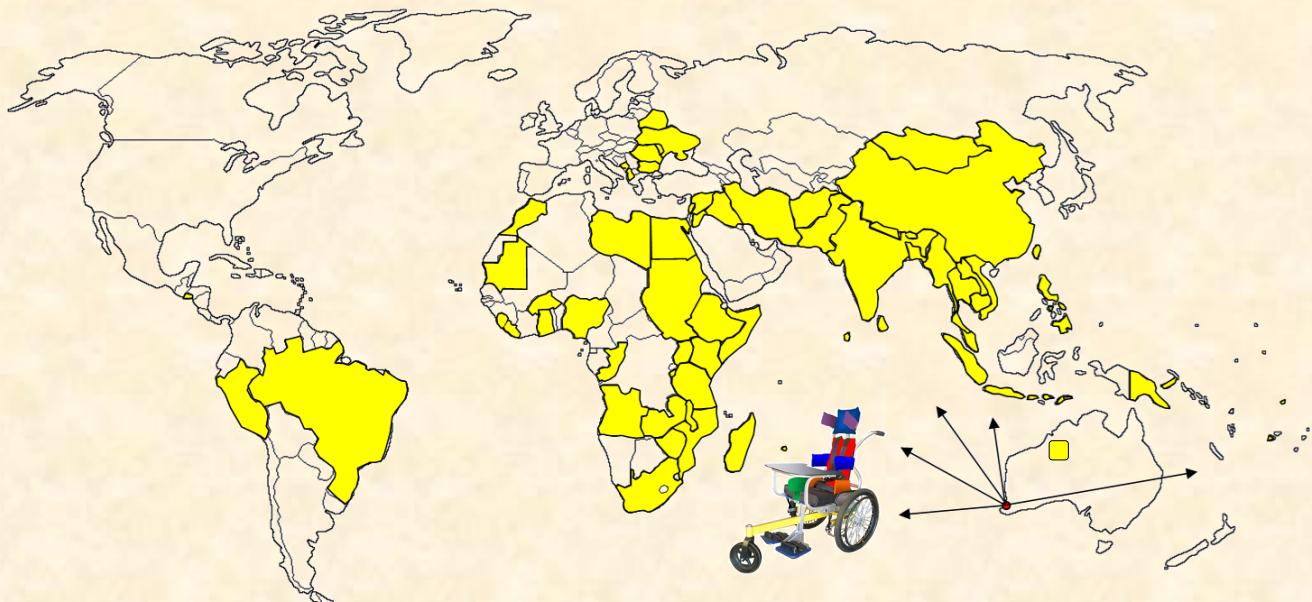

* From Wangara,
Western Australia,
to disabled children around
the world.

* Enabling disabled children and their families to have a better life.

* 350 adjustable wheelchairs are made each month.
